For your information:

Please look through your child's returned papers. If a paper has 'please correct' or 'PC' written at the top, the errors **must be corrected**. The first time a paper is returned, the student needs to seek further assistance from the teacher/parent and correct all items. I will regrade papers only once. The original work must remain intact with corrections made in pen. Corrections can be made on the original assignment or on a separate sheet of paper and stapled to the original assignment. Stickers, stamps, smiley faces etc. mean the paper does not need to be corrected. Please contact me if you have any questions!
